This building is located on the west side of North 15th Avenue, between West Adams Street and West Washington Street, to the west of the Mining and Mineral Museum. All-day parking is available in two uncovered lots: one on the northeast corner of 15th Avenue and Adams Street, and one on the south side of Monroe Street, west of 15th Avenue. Please refer to the map below to determine the appropriate parking locations. Although visitor parking is available in both the parking lot directly east of ADOA and in the parking structure directly north of ADOA, we have indicated that workshop participants should **not** use these locations because parking is strictly limited to two hours. Participants may also make use of driving directions on page two.

There is a cafeteria located on the first floor of this building.
